

for a period of two (2) years after the fare or rule becomes inactive. After this period of time, the carrier or agent shall provide the Department, free of charge, with a copy of the inactive data on a machine-readable tape or other mutually acceptable electronic medium.

(8) The filer shall ensure that its on-line tariff database is secure against destruction or alteration (except as authorized by the Department), and against tampering.

(9) Should the filer terminate its business or cease filing tariffs, it shall provide to the Department on a machine-readable tape or any other mutually acceptable electronic medium, contemporaneously with the cessation of such business, a complete copy of its on-line tariff database.

(10) The filer shall furnish to the Department, on a daily basis, on a machine-readable tape or any other mutually acceptable electronic medium, all transactions made to its on-line tariff database.

(11) The filer shall afford any authorized Departmental official full, free, and uninhibited access to its facilities, databases, documentation, records, and application programs, including support functions, environmental security, and accounting data, for the purpose of ensuring continued effectiveness of safeguards against threats and hazards to the security or integrity of its electronic tariffs, as defined in this subpart.

(12) The filer must provide a field in the Government Filing File for the signature of the approving U.S. Government Official through the use of a Personal Identification Number (PIN).

(13) The filer shall provide a leased dedicated data conditioned circuit with sufficient capacity (not less than 28.8K baud rate) to handle electronic data transmissions to the Department. Further, the filer must provide for a secondary or a redundancy circuit in the event of the failure of the dedicated circuit. The secondary or redundancy circuit must be equal to or greater than 14.4K baud rate. In the event of a failure of the primary circuit the filer must notify the Chief of the Pricing and Multilateral Affairs Division of the Department's Office of International

Aviation, as soon as possible, after the failure of the primary circuit, but not later than two hours after failure, and must provide the name of the contact person at the telephone company who has the responsibility for dealing with the problem.

(c) Each time a filer's on-line tariff database is accessed by any user during the sign-on function the following statement shall appear:

The information contained in this system is for informational purposes only, and is a representation of tariff data that has been formally submitted to the Department of Transportation in accordance with applicable law or a bilateral treaty to which the U.S. Government is a party.

§ 221.190 Time for filing and computation of time periods.

(a) A tariff, or revision thereto, or a special tariff permission application may be electronically filed with the Department immediately upon compliance with § 221.180, and anytime thereafter, subject to § 221.400. The actual date and time of filing shall be noted with each filing.

(b) For the purpose of determining the date that a tariff, or revision thereto, filed pursuant to this subpart, shall be deemed received by the Department:

(1) For all electronic tariffs, or revisions thereto, filed before 5:30 p.m. local time in Washington, DC, on Federal business days, such date shall be the actual date of filing.

(2) For all electronic tariffs, or revisions thereto, filed after 5:30 p.m. local time in Washington, DC, on Federal business days, and for all electronic tariffs, or revisions thereto, filed on days that are not Federal business days, such date shall be the next Federal business day.

§ 221.195 Requirement for filing printed material.

(a) Any tariff, or revision thereto, filed in paper format which accompanies, governs, or otherwise affects, a tariff filed electronically, must be received by the Department on the same date that a tariff or revision thereto, is filed electronically with the Department under § 221.190(b). Further, such paper tariff, or revision thereto, shall

§ 221.200

be filed in accordance with the requirements of subparts A through Q of part 221. No tariff or revision thereto, filed electronically under this subpart, shall contain an effective date which is at variance with the effective date of the supporting paper tariff, except as authorized by the Department.

(b) Any printed justifications, or other information accompanying a tariff, or revision thereto, filed electronically under this subpart, must be received by the Department on the same date as any tariff, or revision thereto, filed electronically.

(c) If a filer submits a filing which fails to comply with paragraph (a) of this section, or if the filer fails to submit the information in conformity with paragraph (b) of this section, the filing will be subject to rejection, denial, or disapproval, as applicable.

§ 221.200 Content and explanation of abbreviations, reference marks and symbols.

(a) *Content.* The format to be used for any electronic tariff must be that agreed to in advance as provided for in § 221.180, and must include those data elements set forth in § 221.202. Those portions that are filed in paper form shall comply in all respects with part 221, subparts A through Q.

(b) *Explanation of abbreviations, reference marks and symbols.* Abbreviations, reference marks and symbols which are used in the tariff shall be explained in each tariff.

(1) The following symbols shall be used:

R—Reduction
I—Increase
N—New Matter
X—Canceled Matter
C—Change in Footnotes, Routings, Rules or Zones
E—Denotes change in Effective Date only.

(2) Other symbols may be used only when an explanation is provided in each tariff and such symbols are consistent throughout all the electronically filed tariffs from that time forward.

14 CFR Ch. II (1–1–08 Edition)

§ 221.201 Statement of filing with foreign governments to be shown in air carrier's tariff filings.

(a) Every electronic tariff filed by or on behalf of an air carrier that contains fares which, by international convention or agreement entered into between any other country and the United States, are required to be filed with that country, shall include the following statement:

The rates, fares, charges, classifications, rules, regulations, practices, and services provided herein have been filed in each country in which filing is required by treaty, convention, or agreement entered into between that country and the United States, in accordance with the provisions of the applicable treaty, convention, or agreement.

(b) The statement referenced in § 221.201(a) may be included with each filing advice by the inclusion of a symbol which is properly explained.

(c) The required symbol may be omitted from an electronic tariff or portion thereof if the tariff publication that has been filed with any other country pursuant to its tariff regulations bears a tariff filing designation of that country in addition to the D.O.T. number appearing on the tariff.

§ 221.202 The filing of tariffs and amendments to tariffs.

All electronic tariffs and amendments filed under this subpart, including those for which authority is sought to effect changes on less than bilateral/statutory notice under § 221.212, shall contain the following data elements:

(a) A Filing Advice Status File—which shall include:

- (1) Filing date and time;
- (2) Filing advice number;
- (3) Reference to carrier;
- (4) Reference to geographic area;
- (5) Effective date of amendment or tariff;
- (6) A place for government action to be recorded; and
- (7) Reference to the Special Tariff Permission when applicable.

(b) A Government Filing File—which shall include:

- (1) Filing advice number;
- (2) Carrier reference;
- (3) Filing date and time;
- (4) Proposed effective date;
